This dental equipment rental (this "Rental") is made effective as of the date this agreement is signed, between Dental Rentals, which is wholly owned by Andy Coddling, at 265 Misty Hill Trail, Dallas GA 30132 to rent to name specified above and states the agreement of the parties as follows:

**PAYMENT TERMS.** The rental payments are due prior to shipping the item being rented. The payment terms of the rental are that payment is due prior to the shipment of rented equipment. The credit card information stated on this contract will be charged prior to shipment of rented equipment.

**PAYMENT.** If any rental payment is not cleared or payment denied within 2 day(s) before the unit ships (unit ships approximately one week before your requested date), then the rental is considered void. We will make attempts to reach you to resolve any declined credit card payments. Payment must be made via credit card. Checks and money orders are not accepted.

**Initial Here -** \_\_\_\_\_

**SECURITY DEPOSIT.** The Customer shall pay no security deposit as payment is required before item is shipped.

**RISK OF LOSS OR DAMAGE.** The Customer assumes all risks of loss or damage to the equipment from any cause, and agrees to return it to Dental Rentals in the condition received. Dental Rentals or their appointed regional manager will determine normal wear and tear. All determinations made by Dental Rentals are final. Please ensure you are cautious and careful with the equipment at all times. It is your responsibility until the item returns to Dental Rentals or a regional manager. You are also required to package the unit for return shipment in the same manner in which it was received. If the unit is returned to us and not packaged as you received it, then you will incur a \$15 penalty. This is to ensure its safety when being shipped to prevent damage. If you need to view a photo of how to package it, then visit [www.DentalRentals.com](http://www.DentalRentals.com).

**RENTAL TERM.** This Rental shall begin on the above effective date and shall terminate when returned in fully working condition to Dental Rentals. The Rental period has the option to be extended provided the equipment has not been promised to another individual. It is possible that you will receive the item prior to your requested rental date.

**RENTAL USAGE.** These Cavitron units have a computerized chip inside that lets us know how much time the unit has been turned on and running. We allow you a grace period of 30 minutes time for testing purposes; however any time the unit is used for more than three hours, you will automatically be billed for another rental. The reason for this is that some students try to sublet the unit to make money from it and for maintenance reasons we had to be proactive and have this installed. If you need to rent equipment for more than one person, multiple days, etc. then contact us and we can arrange discounts.

**CARE AND OPERATION OF EQUIPMENT.** The equipment may only be used and operated in a careful and proper manner. Its use must comply with all laws, ordinances, and regulations relating to the possession, use, or maintenance of the equipment. This rental equipment is only to be used by the signed renter as stated above in this contract. Any violation may constitute full replacement cost. It is your responsibility to package the unit neatly in the same condition that you received it. Please do not just throw it in the box.

**MAINTENANCE AND REPAIR.** The Customer shall maintain the equipment in good operating condition. If any equipment is returned damaged or in a condition that affects its operation then renter is responsible for the cost of repair. Such costs shall include labor, material, parts, and similar items. You will not incur additional fees if the item arrives earlier than promised.

**FAILURE TO PERFORM.** Dental Rentals promises to send functioning equipment free of any malfunctions or missing parts. It is your requirement to inspect everything within 24 hours of receipt to ensure everything is there and is working. You agree that Dental Rentals, its owners and regional managers have no liability if you are unable to operate the equipment for the period you need it (clinical board exam, work day, etc). If you fail to notify Dental Rentals within 24 hours that something is not functioning, then the item being rented is considered in satisfactory condition. Dental Rentals will not be held responsible for providing any refunds, any errors or omissions due to the Customer's lack of operational or technical capability, nor testing site connections. Please be sure you have inspected and tested the equipment within 24 hours of receipt.

**OWNERSHIP AND STATUS OF EQUIPMENT.** You agree the equipment will remain owned by Dental Rentals and receiving the equipment only denotes you temporary use. This item is not to be considered your property and you are the only one to operate the equipment unless arrangements are made to share a unit.

**WARRANTY.** Dental Rentals makes no warranties; express or implied, as to the equipment rented. Dental Rentals will send functioning equipment and you assume the responsibility for the condition of the equipment.

*Initial Here - \_\_\_\_\_*

**INDEMNITY OF COMPANY FOR LOSS OR DAMAGES.** If the equipment is damaged or lost, Dental Rentals has the right to charge your credit card on file for the full replacement value, or repair cost (including labor, parts, and

repair).

**NOTICE.** All notices required or permitted under this Rental shall be deemed delivered when delivered in person or by mail, postage prepaid, addressed to the appropriate party at the address shown for that party at the beginning of this Rental.

**ASSIGNMENT.** The Customer shall not assign or sublet any interest in this equipment or permit the equipment to be used by anyone other than the customer, without Company's prior written consent. If unit is returned with more hours of usage than designated for one individual then an additional rental fee will be incurred and billed to the card on file.

**ENTIRE AGREEMENT AND MODIFICATION.** This contract constitutes the entire agreement between the parties. No modification or amendment of this contract shall be effective unless in writing and signed by both parties. This contract replaces any and all prior agreements between the parties.

**GOVERNING LAW.** This contract shall be construed in accordance with the laws of the State of Georgia.

**SEVERABILITY.** If any portion of this contract shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court finds that any provision of this contract is invalid or unenforceable, but that by limiting such provision, it would become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited.

**WAIVER.** The failure of either party to enforce any provision of this contract shall not be construed as a waiver or limitation of that party's right to subsequently enforce and compel strict compliance with every provision of this contract.
